Words of Mathematics -- Some Earliest Known Uses

<http://members.aol.com/jeff570/mathword.html>

Evidence for the first uses of various mathematical terms. Maintained by Jeff Miller, Gulf High School, New Port Richey, Florida.

Symbols of Mathematics - Earliest Known Uses

<http://members.aol.com/jeff570/mathsym.html>

When and by whom various common mathematical symbols were first used. Maintained by Jeff Miller, Gulf High School, New Port Richey, Florida.

Mathematicians of the Seventeenth and Eighteenth Centuries

<http://www.maths.tcd.ie/pub/HistMath/People/RBallHist.html>

Accounts of the lives and works of seventeenth and eighteenth century mathematicians (and some other scientists), adapted from A Short Account of the History of Mathematics by W. W. Rouse Ball (4th Edition, 1908).

Women in Math Biographies

<http://darkwing.uoregon.edu/~wmnmath/People/index.html>

An index to biographies of women mathematicians, maintained at several different web sites.

Ohio Masters of Mathematics

<http://www.bgsu.edu/departments/math/Ohio-section/bicen/index.html>

Short biographies of prominent mathematicians who were natives of Ohio, were educated in Ohio, or practiced in Ohio.
